There is no better place than Seven Springs to enjoy the very best snow has to offer. Opportunities and new experiences abound, from skiing and snowboarding to tubing, Snow Cat rides, sleigh rides, snowmobiling. You might want to check out the new Terrain Park and Super Pike, the biggest and best in the Mid-Atlantic. No matter what your interests are, you're sure to find an outdoor activity that makes you want to get into the snow.

Enjoy the thrill of snow tubing or a guided exhilarating snowmobile adventure. Ride along as staff experts groom the slopes on a Snow Cat or take a romantic sleigh ride through softly falling snow. Come up to the mountain for winter outdoor activities at Seven Springs and let the mountain move you.

However, you don't have to ski to enjoy all that Seven Springs has to offer. With a bowling alley, video arcade, skating rink, indoor carpet golf, and a host of shops along with restaurants for practically any tastebud, you'll find plenty to do without even stepping outside the lodge. And with the new full service Trillium Spa, you'll be completely relaxed in no time..

Come out and see why Seven Springs has something for everyone.

### The Slopes

With ten chair lifts to transport you to the top of this beautiful mountain, you'll hardly know which of the 14 slopes or 17 trails to navigate first. Whether skiing or boarding, these mountains will delight you with runs of all difficulties nestled in the serene atmosphere of the beautiful Laurel Highlands

Plus, the variety of terrain parks, the largest half-pipe in the Mid-Atlantic and a snowtubing park make for a total winter wonderland experience.

### Night Life At The Lodge

Not quite ready to count sheep? Spend some grown-up time in one of our three lounges, which feature nightly entertainment. The legendary **Foggy Goggle** has all of your post ski fun. And the **Matterhorn Lounge** is the perfect place to be for dancing the night away. If you prefer a more relaxed atmosphere, then visit the **Bavarian Lounge** for a nightcap and good conversation.

For a more elite dining experience, Helen's restaurant provides a more intimate atmosphere. Sip wine and enjoy the ambience inside Seven Springs' rustic retreat. Open 6 p.m. to close.
