

# ENERGY EFFICIENCY REBATES

## CURRENT OFFERS

The Virginia Natural Gas Energy Efficiency Program offers rebates to help cover the cost of energy-efficient equipment, allowing homeowners to make the right choice for their wallet and our planet.

Now - Sept. 30, 2019

at

**SUPERIOR**  
EQUIPMENT SALES, INC.

Get 10% OFF any Honeywell thermostat that qualifies for this rebate.

### \$50 THERMOSTAT REBATE

Virginia Natural Gas offers a \$50 rebate on the purchase and installation of a WiFi enabled "smart" thermostat.

Qualifying products include the following Honeywell thermostats, available at Superior Equipment Sales:

- **RedLINK Vision PRO 8000:** TH8320R\*\*\*\*
- **Wi-Fi Vision PRO 8000:** TH8321WF\*\*\*\*
- **RedLINK Vision PRO 8000:** TH8321R\*\*\*
- **T6 Pro Wi-Fi Programmable Thermostat:** TH6320WF2\*\*\*
- **Lyric T6 Pro Wi-Fi Programmable Thermostat:** TH6220WF\*\*\*\*

### \$250 HIGH-EFFICIENCY FURNACE REBATE

Virginia Natural Gas provides a \$250 incentive toward the purchase and installation of a natural gas furnace with 90 percent AFUE or greater.

**GETTING THIS REBATE**  
**IS EASY.**

Once the qualifying equipment is installed, homeowners can download an application at [virginianaturalgas.com](http://virginianaturalgas.com), complete it, and mail it in along with their receipt or invoice.
